# The Grand Merit Award For Quality & Success

## CHARBEL S. TABEL

I have seen companies in the world growing in number, size and quality. I have had the opportunity to meet with business leaders, scientists, politicians and marketing experts who has accomplished their ideas and turned them into innovative successes, achieving notable recognition amongst their peers.

## ABOUT US

The companies have been chosen when ranked against the following Criteria: Investment attraction, High Technologies, Quality and staff for Professional and Modern Management Methods, Quality Services. The research was conducted by the analytical centers of Association OTHERWAYS MANAGEMENT AND CONSULTING - FRANCE.

## WHAT WE DO

Otherways Management & Consulting Association aims to put in hands the necessary information for enterprises worldwide in order to promote their Management System, Communication and Development.

It focuses particularly on the following themes:

The Quality Management, the durable Development, The Marketing, Information Systems and Staff Management. It has equally a goal to defend and co-ordinate the interests of its members, as well as to facilitate the relations and experience exchange.

Our Achievements & Developments as an organization over the 2 decades has exceeded our personal expectations.

We started in Europe and we have grown into a **TRULY GLOBAL ORGANIZATION**.
